

28 November 2025

International Congress Centre, Room 20, Level 2

Surgical treatment of endometriosis – pre-congress workshops

Medtronic

08:00 – 11:00

Faculty:

Prof. Elvira Bratila (Romania)

Prof. Ewa Milnerowicz-Nabzdyk (Poland)

Prof. Mario Coric (Croatia)

Dr Radek Chvatal (Czech Republic)

Prof. Paweł Basta (Poland)

The workshops are dedicated to advanced surgical procedures used in the treatment of endometriosis. Faculty members will demonstrate their own cases (video case review) with clinical commentary and discussion.

The number of places is limited (max. 40 people). The workshop will be held in English. A light lunch will be served after the workshop. The workshops are free of charge.
